

For Immediate Release

Edgen Murray acquires Equipment, Valve & Supply

Aug 31, 2007 – On August 31, 2007, Edgen Murray Corporation acquired Equipment Valve & Supply, Inc. which is a leading distributor of specialized valves and actuation packages based in Houston, Texas. Equipment Valve & Supply's products, which are used to control, direct, and measure the flow of oil and gas, are complimentary to our existing product offering and give our customers a comprehensive specialty supply solution. Equipment Valve & Supply's sales and office personnel will be relocating to our Richmond location in Houston, Texas in the fourth quarter of 2007. Additional information about the products distributed by Equipment Valve & Supply can be obtained at www.equipmentvalve.com. For sales information, please contact John Nicholas at 713-268-7200 or submit an email to sales@equipmentvalve.com.
